WHAT A CHARACTER: Badfingers has been a big hit with the kids, which stirred him to create a cartoon, *Snapmaster Badfingers and His Homies*. Bobby feels it's a great way to get into music without having to purchase an instrument, because you always have it with you. Did we mention he's part comedian as well?

A SNAP OF ALL TRADES: Bobby Badfingers has single handedly created a persona where he is part comedian, part musician and full-blown entertainer. When asked where he sees himself in five years, his initial response was a psyche ward, but after some thought, he revealed he's completely surprised at how far he's gone with this, and is just taking it one day at a time. — KK
